### III. Statement of Claim

1. On February 15<sup>th</sup>, 2025 around 8:00 pm, I left my home to grab coffee at Dollar General on South Main St. in Kannapolis, North Carolina and stopped to get gas on the way there. Upon checking out I realized I lost my wallet since I left the gas station. On my way to my car a KPD Officer came in talking to the DG Manger. Pulling out of DG parking lot there were two KPD Officers waiting and pulled out behind me when I left. I was overwhelmed with fear, stress, and PTSD and turned into a private parking lot when they turned their emergency lights on in a nonemergency situation. Officer Pettit and an Unnamed Officer got out demanding I present my registration, ID, and proof of insurance after I rolled my windows down and interior lights on for their safety. I explained I had a family name and not a last name as I was afraid they would identify me as a legal fiction and agent of the United States being all federal corporation "government "ID's" identify you as a fiction under their corporate policies, they demanded my first name but I didn't answer fast enough and they came around opening my driver side door to pull me out without Probable Cause, corpus delicti, or Reasonable Articulate Suspicion that a crime had been committed. Regardless, a corporation is NOT a sovereign government authority, they are only acting in governmental capacity because the DMV has identified us as corporate legal fictions that are subjected to corporate statutes and codes.
2. Officer Smith, Sergeant Hamilton, and a 3<sup>rd</sup> unnamed officer came around, opened my door pulled me out, put me in handcuffs, detained me and placed me in their car. Unlawfully assaulting, trespassing, battering, and then trafficking me to the Cabarrus County Detention Center where I was unlawfully imprisoned. I was fraudulently identified as a legal fiction with a "legal name" of a Trust I own.
3. I had my mom pay the ransom/extortion fee to US Bonding Company on Sunday February 16<sup>th</sup>, 2025 for \$5,200. They used US Bonding to triangulate me to coerce and force me to come to the estate administration proceedings against my will when the date comes around. Early Monday morning February 17<sup>th</sup>, 2025, I sent KPD records and email to get a copy of the report and ticket but didn't hear back so I emailed the Police Chief, Terry Spry on Tuesday February 19<sup>th</sup>, 2025 and reported the occurrence. And emailed Captain Jennifer Clarke reporting the incident. Terry Spry responded back acknowledging my emails and said he would look into it when the officers came back on duty, copying Christopher D. Hill and Jennifer S. Clarke. Sergeant Hamilton called me on Thursday February 20<sup>th</sup>, 2025 to investigate my complaint which was pure negligence as he was the sergeant that was there in person on February 15<sup>th</sup>, 2025 supporting the unlawful and Unconstitutional arrest. He and I exchanged words, he refused to answer my questions and he was telling me lies about the video footage to get me to say things that didn't happen.
4. I was arrested by the KPD without a 4<sup>th</sup> amendment compliant warrant, deprived of due process of law and subjected to substandard statutes and codes.
5. Regardless of all the details, the fact of the matter is the Police Department is a private for profit corporate entity and has no say over any sovereign living man or woman. All of their actions were Unconstitutional and our society has been misled for a long time and led to believe they were a sovereign government authority for society but are in fact there as revenue officers for the federal corporation.

18 USC § 1201(a) – Kidnapping – KPD kidnapped me and held me for ransom for my liberty and freedom

18 USC § 219 – The KPD Officers work for a corporate municipality and are not a representative of a sovereign government authority. They are acting in a governmental capacity

31 U.S. Code §3729(a)(1)(A), (a)(1)(G), (a)(1)(B), and (a)(1)(E) – KPD Officer and Cabarrus County Sheriff's Officers willingly identified me as a legal fiction and Agent of the United States while refusing to acknowledge or see the paperwork I told them would satisfy their issues

42 CFR § 488.301 Abuse – Cabarrus County Detention Center willfully and intentionally unreasonably confined me without any probable cause hearing, without me making a mark on any paperwork, and psychologically abused me further with the intentional deprivation of my rights inflicting lasting emotional distress after already trying to recover from the last time and stolen property.

28 U.S. Code § 2007 – Locking me up and demanding payments in unlawful cash and putting a price on my freedom is imprisonment for debt when I can't pay the money in negotiable financial instruments

18 U.S. Code §§ 241, 242 – KPD conspired to deprive me of inalienable rights to freely travel after seeing my tag they waited outside Dollar General for me to drive away so they could pull me over and question me about it with no Probable Cause for the stop and no Reasonable Articulate Suspicion to search my truck, request my ID, or open my car door to get me out. No Search warrant for myself, the living man existed to unlawfully have Mueller Automotive steal my car with a tow truck.

18 U.S. Code § 1001 – Intentionally Concealed the facts the warrant was not for the living man and they were identifying a legal fiction not the actual living man. They intentionally identified me as an Agent of the United States as a "person" since it is a federal corporation under 28 U.S. Code 3002(15)(A).

18 U.S. Code § 1343 – Cabarrus County Clerk of Court is conspired with the Kannapolis Police Department to get myself, the living man into the court room by any means necessary under 42 U.S. Code § 1991 so I would fearfully agree to their estate administration scam concealed as "law" and "crime" when its banking and literal "charges" to my estate which I own the trust to.

Officer Pettit, Officer Smith, Sergeant Hamilton, 2 unnamed officers: Assaulted me, battered, assaulted, kidnapped, and trafficked me as well as were accessories to the felony of stealing my car through planned process and using system in place for stolen property. They gave Mueller Automotive the keys to my car without my consent.
